Exploring The Financial Aid Process

Admissions Department of Educational Affairs

# TOSI

UNIVERSITY

## The financial Aid Process at TOSI University

Annually, 44% of students at TOSI University engage in some form of Financial Aid, a testament to the university's commitment to accessibility. The financial aid process is a compassion-filled journey, overseen by dedicated Financial Counselors within the Department of Financial Affairs. These counselors undergo specialized training to offer comprehensive assistance, empowering students to navigate affordable opportunities for a premium TOSI University education with confidence.

# The TOSI Process and Promise

## **Collaborative Academic Package Creation**

Applicants work closely with their Admissions Counselor to create a personalized Academic Package tailored to their educational goals.

## **Deposit Submission as Program Commitment**

*At TOSI University, we make declarations and commitments to our students-- to push them. Educate them. And help them see their full potential. As students commit to their studies, we commit this promise of consistency & high level education to you. Students apply for enrollment at TOSI University where we extend this commitment of excellence.*

After the Academic Package creation process, students are directed to submit a deposit, signifying their commitment to advancing in their chosen program with pride and excellence in return.

## **File Transmission to Financial Counselor**

Upon successful deposit receipt, the student's file is transmitted to a Financial Counselor in the Bursar's office at the Department of Financial Affairs. The Academic Counselor schedules a Financial Aid strategy planning session for the student based on the Bursar's Office availability.

## **Comprehensive Financial Aid Planning**

During the Financial Aid strategy planning process, the Financial Aid Counselor collaborates with the student to explore various financing options and create a comprehensive financial aid package.

## **Determination of Financial Aid Package**

The financial aid package is determined, incorporating a mix of financing programs, including in-house financing, external financing options (short and long term), scholarships, grants, and/or internships.

Following the determination of the financial aid package, the student takes steps to secure any additional external funding.

## **Arranging TOSI Student Account Funding**

The student makes arrangements for the funding of their TOSI Student Account based on the finalized financial aid package. Upon the reception of external funds, the student formally signs their Financial Aid Package agreement, including any necessary in-house promissory notes.

## **File Transfer to Admissions Counselor**

The student's file is transferred back to their Admissions Counselor within the Department of Admissions and Enrollment for further processing.

We understand the significance of pursuing higher education, and at TOSI University, we are dedicated to supporting our students and their families in realizing their educational dreams. Our commitment is reflected in our comprehensive Financial Aid process, designed to be thorough and supportive, accompanying you every step of the way.

After your Financial Aid strategy planning session, your file is seamlessly transferred back to your Admissions Counselor within the Department of Admissions and Enrollment. This marks the continuation of our personalized and attentive approach. Your Admissions Counselor will meticulously handle the next steps, ensuring that your financial aid journey aligns seamlessly with your educational aspirations. As advocates for your success, we remain committed to providing the resources and guidance needed to make your educational experience at TOSI University both enriching and attainable.
